I understand that this is a community supported venture rather than a buyers' club and that although Pineland Farms is committed to the best of our ability to provide high quality produce, there are risks in agriculture which need to be shared by the whole community and may be reflected in certain crops. By submitting this application, I understand that my membership payment entitles me to a weekly share of the produce harvested by Pineland Farms during the 2024 growing season. I understand that my share will be picked up at my scheduled time at the Farmers Market each week.
